## New Credit MasterCard Coming Soon!

In mid-October 2017, you will be receiving your new Credit MasterCard in the mail, which replaces your current Visa Credit Card. **Once you receive the card, please activate and begin using.**

To activate, you will need to be sure that the phone number that we have for you on is the number you will be calling from. After activation, you can begin using the new Credit MasterCard immediately.

The new Credit MasterCard will have the EMV chip that will provide added security features not currently offered on your Visa Credit Card.

Your Visa Credit Card will no longer be active after November 30, 2017. **If you do not receive your new Credit MasterCard by November 1, 2017, please call us at (253) 584-0079.**

You will be earning ALCUstom Reward points immediately and in December 2017, your existing points will be converted to the new program. You will be able to view your ALCUstom Rewards through Online Banking.

If you have your current Visa Credit Card setup with merchants, Amazon®, utility companies, etc, you will want to contact them with your new Credit MasterCard information to avoid payment disruptions.

If you should have any questions about your new card, please contact American Lake CU at (253) 584-0079.

Sincerely,

American Lake Credit Union
